"Inseparable (Remix)"

(feat. Mariah Carey)

Call my phone
Baby call my phone, (Baby call my phone)
Baby call my phone,
I be waitin' to hear your ring tone, (Waitin' on you)
Call my phone,
Baby call my phone, (Baby call my phone)
Baby call my phone, (Baby call my phone)
Baby call my phone,
I be waitin' to hear your ring tone,
(Mariah)

[Verse 1: Mariah Carey]

Lost without my other,
Half thought can I live without ya,
I don't want another,
That's why I'm messed up about ya,
Can't even dream without seein' you,
Why should I even try to breathe,
And everything is off,
Where are you,
Guess it's all my fault,
Lady sings the blues,
No one could deny it,
We were flying like United,
But we'd never be divided,
Cause the love we had inside us was

[Chorus:]

Inseparable,
If you bumpin' this song,
And you're searching for the moment,
When two hearts went wrong,
Inseparable,
Just lost your love,
Cause you swore,
You never ever give it up,
Cause you'd thought that y'all was,
Inseparable,
Thought we'd stay together,

Always and forever,
But now I see that no one is,
Inseparable, except for us,
One of us just got to pick the phone up,
Cause I know we're still inseparable

[Verse 2: Mariah Carey]

Got photos of us, on my refrigerator,
Videos on my phone,
Boy can't I just erase 'em,
The first text I ever got from ya,
Still saved in my,
Inbox and I read it back "time after time",
Boy I'm lost can't you look,
Won't you please find me,
I'm down to my last tear come rescue me,
See it's broken my heart,
To the point where,
I don't leave the house,
No reason now, weekends out
Just ain't the same without you...

[Verse 3: Trey Songz]

For every two-seater we be whippin',
But you can tell the difference,
When my passenger be missin',
Somebody tell me have you seen her,
Lookin' for my diva,
Somehow I lose another, when I find her,
I'm gon' remind her,
She's all that I desire, (call my phone)
(Mariah) tryna shake-shake me off girl,
Break-break this off girl,
I won't let you do it cause,
We belong together,
I never thought we'd end up like this,
Ain't this 'bout a b*tch?
YUP!

[Chorus:]

But I thought we were Inseparable,
If you bumping this song,
And you're searching for the moment,
When two hearts went wrong,
Inseparable,
Just lost your love,
Cause you swore,
You never ever give it up,
Cause you'd thought that y'all was,
Inseparable,
Thought we'd stay together,

Always and forever,
But now I see that no one is,
Inseparable, except for us
One of us just got to pick the phone up,

[Bridge:]

[Mariah Carey:]

It's been sixteen days
Since I held you tight
Balled up me and my pillow
In the middle of the night

[Trey Songz:]

I'm layin' here, missin' you,
On your side of the bed,

[Mariah Carey:]

So what you waiting for
Cause both us still know that we're

[Chorus:]

Inseparable
If you bumping this song
And you're searching for the moment
When two hearts went wrong
Inseparable (Inseparable)
Just lost your love
Cause you swore (I swore it)
You never ever give it up
Cause you'd thought that y'all was
Inseparable
Thought we'd stay together
Always and forever (Always and forever)
But now I see that no one is
Inseparable, except for us
One of us just got to pick the phone up
(I know, I know, I know we are... Hey)
Cause I know we're still inseparable
(I know, I know, I know we are)

Inseparable
(We are)
If you bumping this song
(Thought we'd stay together)
And you're searching for the moment
When two hearts went wrong
(Always and forever)
(Me and Mariah, go back like babies and pacifiers)
We're inseparable
(Gotta pick the phone up)
(Pick the Phone up)
Inseparable, except for us
(Gotta pick the phone up)

(Pick up)
One of us just got to pick the phone up
(Gotta pick the phone up)
Cause I know we're still inseparable
(Oh baby you just gotta pick the phone up)
(The Phone Up)
(The Phone Up)
Inseparable
