[Intro]

I don't want nobody more than you
Just want your body on this morning dew
I got this covers laying right for us
Ain't nobody looking, its just mother nature watching
while I'm

[Verse 1]

My baby dear, this feeling here
Can't be describe, (naw) but I'mma try
Nails in my back, grabbing your ass
Grinding slow, hearts beating fat

Talking:

squeeze it
squeeze it with your pussy
do it

[Hook]

Sweat dripping off your body onto mine (Onto mine and
it ain't nothing)
Ain't nothing better than when I'm inside
She got her legs on my shoulders
Looking in my eyes
Not the bed or the sofa
Getting it in outside
Know that you was scared
You ain't even want to try
But girl its no surprise
Feels so good I'm bout to cry
While I'm inside

Deep inside your love (Deep deep)
Deep inside your love (Deep deep)
Deep inside your love (Deep deep deep deep)
Inside
Deep inside your love (Deep deep)
Deep deep deep up in deep inside
Deep inside your love
Deep inside your love

[Verse 2]

Your legs start to shiver girl
You talking with your eyes
I hear you girl (I hear you baby)
I listen when you tell me
Ain't no words necessary girl
We doing what we doing very well

[Hook]

Sweat dripping off your body onto mine (Onto mine and
it ain't nothing)
Ain't nothing better than when I'm inside
She got her legs on my shoulders
Looking in my eyes
Not the bed or the sofa
Getting it in outside
know that you was scared
You ain't even want to try
But girl its no surprise
Feels so good I'm bout to cry
While I'm inside

Deep inside your love (Deep deep)
Deep inside your love (Deep deep)
Deep inside your love (Deep deep)
Inside
Deep inside your love (Deep deep)
Deep deep deep inside deep inside
Deep inside your love
Deep inside your love

[Outro]

Inside, inside--
Inside--
Yeah--
