I don't want nobody more than you  
Just want your body on this morning dew  
I got these covers laying right for us  
And ain't nobody looking it's just Mother Nature  
watching while I'm . . .

My baby, dear this feeling here can't be described  
But I'ma try  
Nails in my back, grabbin' ya ass  
Grindin' slow, hearts beating fast

(Chorus)

Sweat drippin' off of your body onto mine  
Ain't nothing better than when I'm inside  
She got her legs on my shoulders, lookin' in my eyes  
Not the bed or the sofa, gettin' it in outside  
Know that you were scared, you ain't even wanna try  
But girl it's no surprise, feel so good I'm 'bout to cry  
While I'm inside, deep in side your love (deep deep)  
Deep inside your love (deep deep)  
Deep inside your love (deep deep deep)  
Inside, deep in side your love deep deep deep up in  
deep inside, deep inside, deep inside your love  
Deep inside your love

Your legs start to shiver girl, you talkin' with your eyes  
I hear you girl (I hear you baby)  
I listen when you tell me, ain't no words necessary  
Girl we doin' what we doin' very well

(Chorus)

Sweat drippin' off of your body onto mine  
Ain't nothing better than when I'm inside  
She got her legs on my shoulders, lookin' in my eyes  
Not the bed or the sofa, gettin' it in outside  
Know that you were scared, you ain't even wanna try  
But girl it's no surprise, feel so good I'm 'bout to cry  
While I'm inside, deep in side your love (deep deep)  
Deep inside your love (deep deep)  
Deep inside your love (deep deep deep)  
Inside, deep in side your love deep deep deep up in  
deep inside, deep inside, deep inside your love

Deep inside your love

Inside, inside your love

Yeahhhhhh
