Come and listen, baby
I know that it might sound crazy but
I just wanna cut
And yes, I got a lady
Girl you drivin' me so crazy
Cut, make me wanna cut

Baby girl, this the prince of Virginia
When I say that I'm tryna get in ya
I ain't tryna be too dramatic
But ya ass is past the average

Ooh, the way that you movin' ya waist
So fat and a beautiful face
Ooh, girl I gotta have ya
Don't say no, that ain't the answer

Put your legs all up in the air
Twist from the back and pull your hair
Ooh, baby girl let's take it there
I'll tell you girl I'm so prepared

Just let me freak ya body
'Cuz you's a freaky shawty
Let me take a waltz in that big ol' butt
Girl, I'm tryna get a you know what so

Come and listen, baby
I know that it might sound crazy but
I just wanna cut
And yes I got a lady
Girl you drivin' me so crazy
Cut, make me wanna cut

Baby, it's the things that you do
When you do, what you do, oh babe
Make me wanna cut
'Cuz the way that you move
There is nothing to do, but
Make me wanna cut, cut

Mama, right here on this floor

I gotta let you know
The way you drop it low
Ooh, girl I'm gettin' swell

Just let me take you home
Do what I know is wrong
And once we get along
Baby, I'm gonna sing this song

Put your legs all up in the air
Twist from the back and pull your hair
Ooh, baby girl let's take it there
I'll tell you girl I'm so prepared

Just let me freak ya body
'Cuz you's a freaky shawty
Let me take a waltz in that big ol' butt
Girl, I'm tryna get a you know what so

Come and listen, baby
I know that it might sound crazy but
I just wanna cut
And yes I got a lady
Girl you drivin' me so crazy
Cut, make me wanna cut

Baby, it's the things that you do
When you do, what you do, oh babe
Make me wanna cut
'Cuz the way that you move
There is nothing to do but
Make me wanna cut, cut

And when I twist it, baby
I swear the girls up in this club tonight
I can cut tonight, I can cut tonight
It ain't a problem
We don't need any room, baby
And what make it special
It just as soft and round
I gotta let you know so

Come and listen, baby
I know that it might sound crazy but
I just wanna cut
And yes I got a lady
Girl you drivin' me so crazy
Cut, make me wanna cut

Baby, it's the things that you do
When you do, what you do, oh babe

Make me wanna cut
'Cuz the way that you move
There is nothing to do but
Make me wanna cut, cut
