[Verse One]

Ladadadadada

Whoaaaa

Let me explain the way your love has got me feeling

I'm willing to throw away and hang up all the pimpin'

I'm ready to let go of my heart

And give it all to you

For the rest of my life

It's like I can't roll or go with no-one else but you babe

No body else can make me feel this way but you may

Be the only one i trust and baby that's wussup

Imma tell the world about it

Imma scream and shout it

[Chorus]

Girl you got that

Good kinda (Good kinda)

Sweet kinda (Deep kinda)

Loving

And girl you got that

Yeah baby

Ooo baby

Keep it right there

I love it

Kinda loving

Girl you got that

Good kinda (Good kinda)

Sweet kinda (Deep kinda)

Loving

And girl you got that

Yeah baby

Ooo baby

Keep it right there

I love it

Kinda loving

[Verse Two]

If you were music then you know I'd be the speaker

And if I was smoking then you know

You'd be the reefer

And if I was standing on the block

I'd keep you in my sock

And that's for real
Girl I can't see myself with no one else but you babe
No body else can make me feel this way but you may
Be the only one i trust and baby that's wussup
Imma tell the world about it
Imma scream and shout it

[Chorus]

Girl you got that
Good kinda (Good kinda)
Sweet kinda (Deep kinda)
Loving
And girl you got that
Yeah baby
Ooo baby
Keep it right there
I love it
Kinda loving
Girl you got that
Good kinda (Good kinda)
Sweet kinda (Deep kinda)
Loving
And girl you got that
Yeah baby
Ooo baby
Keep it right there
I love it
Kinda loving
