"Last Time Skit"

What's up what's up still in the building like I said
earlier a music fan I'm out here doing some contion
Stuff I done had about 5 plays this week they are
consivening the album very well they got it like a month
Almost a month after it dropped in America they just
now getting into uh it's crazy to do shows for those who
don't speak English
And they still be going crazy like hmhmhmhmhm you
know what I mean uh so we tryna decide between a
second single it might be missin' you
Or it might be last time either way it's gone be cool
because I think both of them are great lovers I just
know that balanced take longer to build that
Radio so uh I mean I need ya'll support on which ever
decision I do make and right now gone go into last time
produced by Bryan cox let's go
