## Verse 1

You Love Me Like Words Cant Explain  
For Me To Feel The Same Is All You Wanna Gain  
You Nevered Claim That The Dollars Made Me Change  
The Models Giving Brain Guess That Could Put Your  
Brain  
Hurt Your Heart In The Worst Way  
Never Shouldve Let You Fall In The First Place  
Let You Fall In Put Your All In  
Now You so High Up On Love You Dont Wanna Get  
Down  
Most Nights She Aint Sleep  
Worrying About Where I Might Oh Where I Might Not Be  
Sheets For The Life Of Me  
Oh Man What A Life I Leave

## Chorus

You Kept Me On This Pedestal  
No Matter How Much I Let You Down  
I Let You Down With All My infidelity  
You Loved Me So Incredibly  
Inside I Fall Apart  
If You Ever Loved Someone Instead Of Me  
(Instead Of Me)  
So You Derserve A Better Man Instead Of Me  
(Instead Of Meeee)

## Verse 2

Clock Wont Stop Tick Tocking  
Her Love Is Going Going Going By The Minute  
Going Going Going She Keep Giving  
But I Know She Can Take It  
Still Her Heart'll Keep Breaking  
So Im Gonna Let Her Love Go  
Cause I Dont Deserve Her Love No More  
Said Sorry She Bad For Me  
And Mad At Me Said That We  
Cant Exloo? Love Not True Love  
Cause Its All Screwed Up

## Chorus

You Kept Me On This Pedestal

No Matter How Much I Let You Down  
I Let You Down With All My infidelity  
You Loved Me So Incredibly  
Inside I Fall Apart  
If You Ever Loved Someone Instead Of Me  
(Instead Of Me)

Verse 3

How Do You Fix A Love Undone  
How Do You Know If Your Even Fit To Love Someone  
And When You Decide To Take That Ride  
Can You Drive From The Passenger Side?  
One Wheel In The Middle Four Hands On It  
Two Sets Of Brakes You Decide To Slam On It  
Go Damn Woman Where The Love Go?  
Whip Crash When You get Whiplash  
Sit Back Cause You Want the Shit Back  
Thinking You're Trying To Get What You Had Back  
She Mad At Facts Cant Be Mad At That  
No You Cant Be Mad At That  
You Cant Be Mad At That  
Nooooooo

Ooooooh  
Ooooooh  
Clock Wont Stop Tick Tocking  
Clock Wont Stop Tick Tocking  
Ooooooh  
You Kept Me On This Pedestal  
No Matter How Much I Let You Down  
I Let You Down
