[Chorus: Ciara]

What If I Had A Thing On The Side
Made You Cry
Would The Rules Change Up Or Would They Still Apply
If I, Played You Like A Toy
Sometimes I wish I did act Like A Boy
Can't be getting mad What u mad Can't handle that
[x2]

[Verse 2: Ciara]

Girl go ahead and be just like him
Go run the streets just like him
Go home missin sleep like em, Creep like em
Front with your friends, Act hard when u with them like
him
Keep a straight face when you tell a lie
Always keep an air tight alibi
Keep it hid in the dark
What he don't know won't break his heart

[Hook:]

Wish we could switch up the roles and I could be bad

Tell you I love you, but when you call, I never get back
Would you ask them questions like me, like where you
be at
Cause I'm out, 4 in the morning on the coner rolling
doing my own thing

[Chorus:]

What If I Had A Thing On The Side
Made You Cry
Would The Rules Change Up Or Would They Still Apply
If I, Played You Like A Toy
Sometimes I wish I did act Like A Boy
Can't be getting mad. What u mad Can't handle that
[x4]

[Verse 3:]

If I was always gone
With the sun getting home (Would you like that?)
I told u I was with my crew when I knew it wasn't true
If I act like u
Walked a mile off in your shoes (Would you like that?)
Messing with your head again
Dose of your own medicine

[Chorus:]

What If I Had A Thing On The Side
Made You Cry
Would The Rules Change Up Or Would They Still Apply
If I, Played You Like A Toy
Sometimes I wish I did act Like A Boy
Can't be getting mad. What u mad can't handle that
[x4]

R-A go, here's the clutch...

If I played u (would you like that?)
Had friends (would you like that?)
Never called (would you like that?)
Nah Nah, You wouldn't like that, No!

What if I, made you cry
Would they still apply

What If I? If I, played You Like A Toy,
Sometimes I wish I would act Like A Boy

Can't handle that
