### "Lil Freak"

Songz is my name  
Let me hol dat' beat  
Let me hol' dat beat  
(Ha... ha... ha... ha... ha... haaaa)  
Come hea  
Let go  
Aye girl it's trigga trey girl  
Afta what they say girl I'm the one they jus sniffin in my  
world  
Aye girl say where ya girls at I got some girls that be  
likein girls back  
So bring ya girls back, dontchu gotta think about it  
before you say no  
Cause we about to leave and I want for you to go  
They call me mr. minaj-j I do this time and time again  
throw some bait  
And bring em in, bring a friend

#### *[Chorus:]*

Who you fuckin with me nobody fuckin with me go get  
ya girl baby bet she fuckin with me  
If you fuckin with me really fuckin with me you put ya  
face in a waist get a taste  
And be my love freak, my love freak, my love freak, be  
my love freak, my love freak,  
My love freak, be my love freak

Only one me and I only wana please you know I gota  
finish what I started up  
It's alota us patron and hennessey and she lickin on me  
in a party bus  
Everytime I get a beat I den picked anotha body up  
shawty gota lota butt get it up got it up  
Told her the first verse what it goin be now let the kitty  
kat purr on me, her her her shes soft as fur on me  
I do this time and time again throw some bait and bring  
em in

#### *[Chorus]*

Now first off shout out to nicki and them big ol tig-o-bitties you can ride me like a harley give a fuck if you a barbie

When walk up in the party everybody know who are we, we get some vixens with me send em take your bitches then I'm sorry now we,

Got game somethin like guitar nintendo genesis ps3 wi, my new girl lick my xbox and that got wet marks, you know I like to choke her, pushin on her buttons no controller.

Then I get lost like a mocontroller listen, flow, solar system, out this world cause I'm into yo girl, out this world fly like a comet make you wana earl, I'm sick, vomit, throw up

Know what I'm troublesome, got two girls I double em, Trey more fresh than doublemint  
Straight sex we no cuddling, 4 hours, no flowers, let you honey's suckle em

Who you fuckin with me nobody fuckin with me go get ya girl baby bet she fuckin with me

If you fuckin with me really fuckin with me you put ya face in a waist get a taste

And be my love freak, my love freak, my love freak, be my love freak, my little freak,

My love freak, cause I'm a big freak

It's the return!

It's the instrumental killer, instrumental triggaaa
