### "Live Your Life"

Some of these insturmentals they get on the internet,

Bobby fisher put em on the jumpdrive  
I then take the jumpdrive downstairs  
I record the record I put it on the jumpdrive  
I then proceed to take the jump drive back upstairs Mp3

The records then emailed Dj foot before anyone else  
Dj sense will get the next email  
Then it's to you baby, the world  
Youtube, comments, blogs, boards, (I Do This)  
Cause nothings is safe (Yeah!)

Knowin what a hater say  
Got my own lane  
Guess it's safe to say I paved the way  
Playin like the lakers back in '88

Safe to say that I am Great  
You could say I'm hungry  
I could eat a lions plate  
I'm a carnivore, I Said before  
It's breakfast time I'm spittin out metaphors  
I guess I'm Hella bored  
Or Hella Talented  
Who else could flip This nigga tip shit like I done did  
Do Two songs for I hit the airport  
In my Wifebeater, In my Air Shorts
