Then she sent a text that had said, "baby, I'm at home"

Then she sent another one that said she's all alone

So I texted her a smiley face and said, "let's do the grown"

She said, "LOL boy you crazy, come on"

Then she said "actually, you ain't gotta ask me"

Sent that little face with the tongue 'cause I'm nasty

I'm on my way (way), girl I can't wait (wait)

[Chorus - Trey Songz:]

Holding down her cubicle
And she got my number tell her man that's like a
miracle
Said she love my swag
Pull up 6's on my vehicle

Cali girls love me
Brooklyn girls hug me
Miami girls sexy
Pull off in the stretcher
