You ready(yeah)

Given up for dude is so hard do  
I go hard to prove you can't stop the dude  
You Don't fuck with me (if that be the case)  
I don't fuck with you (you already know)  
So don't treat my name like your fucking food (keep my  
name out your mouth whoever)  
Man you fucking lames you so fucking rude  
Just get out my lane better fucking move  
When I'm coming through you don't fucking move  
I'm a truck a dude  
When I watch him ooze  
Leaking on the streets leaking on the beats  
I be killing these you be feeling me(or)  
You be hating me  
Either way it be you make cake for me(yep)  
Watch how great I be (yep)  
It was made for me (yep)  
No ones stopping me that's my prophecy I gotta be  
One of the best to do it  
Stick out my chest and do it

If kanye west could do it  
And they thought he was stupid  
Then that's what they is  
If they don't fuck with this  
Music shit I'm doing it I'm proving it  
Who da shit you da shit(for sho)  
I be on the girnd(for sho)  
No doubt in my mind  
Just get out my lane better fucking move  
You don't fucking move(you don't move)  
I'm a truck a dude  
Then I'll watch him ooze  
Leaking on the streets (oooh)leaking on the beats  
I be killing these

You be feeling me(or)  
You be hating me  
Either way it be  
You make cake for me(yep)  
Watch how great I be (yep)  
It was made for me (yep)  
That's my prophecy  
And I'm going til it's six feet over top
