Here we go again...

Ehhh Ehh Ehh Ehhhh Ehh  
Here we go again..

Told you from get go I would never let go  
We remain eternal, hope you know like I know  
Imma always love ya when nobody else does  
Imma be the shelter you can always run to  
Your the one I run to when I need a shoulder  
I'm the one you run to when you need a soldier

Say that I'm the realest one you ever met  
Girl this is the realest thing I ever said  
If you give me the world then I won't need nothing  
(wont need nothing, wont need nothing. oh)  
Cuz if you leave my world then I won't have nothing  
(wont have nothing, wont have nothing)

Chorus:  
And this is from my heart  
(Ehh ehh)  
This is from my soul  
(Ehh ehhh)  
Lovers may come  
(Ehh ehh)  
And lovers may go  
(Ehh ehh)  
But I don't worry 'bout a thing  
Cuz as long as we're together  
Baby I know I know I know  
I know I know I knooow that  
No one's gunna love me better  
(Ehh ehhh)  
No one's gunna love me better  
(Ehh Ehh)  
No ones gunna love me

You the one I'm cool with you know what to do with  
Everything I'm givin' baby you know who the truth is  
You know where the safe at you know who my boo is  
Never had a fake bag always on that new sh\*t

You the only beat that can play in my heart  
Imagine just to think of us apart

Say that I'm the realest one you ever met  
Girl this is the realest thing I ever said (ever said)  
If you give me the world then I won't need nothing  
(wont need nothing, wont need nothing. oh)  
Cuz if you leave my world then I won't have nothing  
(wont have nothing, wont have nothing)

Chorus:

And this is from my heart  
(Ehh eh)  
This is from my soul  
(Ehh eh)  
Lovers may come  
(Ehh eh)  
And lovers may go  
(Ehh eh)  
But I don't worry 'bout a thing  
Cuz as long as we're together  
Baby I know I know I know  
I know I know I knooow that  
No one's gunna love me better  
(Ehh eh)  
No one's gunna love me better  
(Ehh Eh)  
No ones gunna love me

Bridge:

All I need, you are all I see  
You wanna stay together  
No matter the weather  
Sing now  
You are all I need, You are all I see  
Baby i know i KNOW iKNOW  
No one is gunna love me betterr...  
No one is gunna love me better  
(Ehh eh..)  
no one is gunna love me better  
(Ehhh eh)  
No ones gunna love me better  
No one is gunna love me

Here we go again..
