What it do what it do
Baby beat down
Turn you on
With something new
You so purdry, so true
Like the aquifina girl
My body needs
(Talk to her)
You quench my thirst
Through the best
Through the worst
Dance to this song
With the bees
And the birds
We can light on
Heavenly dubs (?)

My oasis girl
We gon face this world
Through the killin
And the violence
You my keys to survival
Like adam in the bible
You're my real for you
I live
Let's bless this ceremony
This here
Is where love be shorty

You the queen
Queen of the jungle
(For You)
Your King gon' rumble
If anybody try
To break our circle
(Our circle of love)
As the sun
Cruises through the sky
And I look into those eyes
I put it all down on the line
For the love of my life
It's My Love Safari

O O Ohhhhh My love Safari
O O O Ohhhhh My love Safari

Out the Ghetto
Out the Suit
Now we ridin clean
On something brand new
The haters mean muggin you
Shit I wish they were you
Out of all
The diamonds and pearls
SXee you're the finest girl
Shawty you so special
I wanna love you forever

Oasis girl
We gon face this world
Through the killin
And the violence
You my keys to my survival
Like adam in the bible
You're my real for you
I live
Lets bless this ceremony
This here
Is where love be shorty

You the queen
Queen of the jungle
(For You)
Your king gon' rumble
If anybody try
To break our circle
(Our circle of love)
As the sun
Cruises through the sky
And I look into those eyes
I put it all
Down on the line
For the love of my life
It's My Love Safari

Baby girl
You know your love
Is sacred to me
I wouldn't give it up
For nothing in this world
I would travel
A thousand miles
Across the sea
To be with you

To stay with you
Then leaving you in tears
My love safari
That's what it is
My love safari
Our love safari
Shawty You the queen
Queen of the jungle
(For You)
Your King gon' rumble
If anybody try
To break our circle
(Our circle of love)
As the sun cruises
Through the sky
And I look
Into those eyes
I put it all
Down on the line
For the love of my life
Shawty, you the queen
Queen of the jungle
(For you)
Your king gon' rumble
If anybody try
To break our circle
(Our circle of love)
As the sun cruises
Through the sky
And I look
Into those eyes
I put it all
Down on the line
For the love of my life
It's My Love safari
My love safari
