Sun won't shine (shine)  
Moon won't glow (glow)  
This star of mine, is my star no more.  
I did you wrong.  
And this I know.  
Come keep me warm, please, girl I'm so cold.

Wooahh...  
Oooohhh...

### VERSE 1

Cold winter nights, (yeah) by myself (yeah).  
Blankets just won't do,  
I need your help.  
Cause I don't wanna miss the way your body feels no  
more.  
No I don't.  
It's only been 2 days (yeah)  
Since you've been gone (yeah)  
But those few moments, feel so long.  
Now I'm sitting at the edge of the bed, with my hands  
on my head  
And the only thing I been thinking why I been alone is  
that...

### CHORUS

I can't let you go,  
I won't let you leave.  
One thing that I know is baby you were made for me for  
sure.  
My life is in your hands, I'm meant to be your man.  
We're made to be together.  
So baby no, (no)  
Don't go (don't go)  
Girl if you don't know id give my heart id give my soul  
for sure  
I'm right here on my knees  
If you were to leave, id lose my everything

### VERSE 2

You complete me baby,  
Don't you let, nothing come, between us. (hey ay, hey

hey hey hey)  
Alcohol has been, my best friend.  
And I admit some tears, have passed my chin  
Crying in the bed over you just aint manly  
But I don't give a damn (nooo)  
Cause I could wash these pillow cases,  
Change these sheets baby.  
But I need you back in the crib cooking up some of that  
good chicken and gravy, mash potatoes, homemade...  
lemonade.  
Want you back to the old days  
You been with me since I had long braids  
CHORUS  
& I can't let you go,  
I won't let you leave.  
One thing that I know is baby you were made for me for  
sure.  
(My life) My life is in your hands, I'm meant to be your  
man.  
We're made to be together.  
So baby no, (no)  
Don't go (don't go)  
Girl if you don't know I'd give my heart id give my soul  
for sure  
I'm right here on my knees  
If you were to leave, I'd lose my everything

#### BRIDGE

Girl my heart wont beat right, I cant sleep nights,  
Ooh you're haunting my dreams  
All I know is I hold onto memories  
When you touch, I touch you  
When you moaning, you scream  
Oh baby  
Girl you know just what you do to me  
I acted so stupidly  
And unless you want to take away my soul (no, oh, go)

#### CHORUS

I can't let you go,  
I won't let you leave.  
One thing that I know is baby you were made for me for  
sure.  
My life is in your hands, I'm meant to be your man.  
We're made to be together.  
So baby no, (no)  
Don't go (don't go)  
Girl if you don't know I'd give my heart I'd give my soul  
for sure  
I'm right here on my knees  
If you were to leave, id lose my everything

VERSE 3

Don't you go away (stop, I cant)

No baby no, don't you go away (I just, I just need time)

Don't you leave me girl (don't do this)

Don't you leave me girl (please)

Don't you leave me girl (I got a lot on my mind)

Don't you leave me girl (baby, babe, baby stop it...okay)

Were made to be together (I'll stay)
