let me tell u what to do

close your eyes (haaaaa)

fantasize (do it do it)

its gone be much more than that

VERSE 1

gimme your hand, your hand girl i

i wanna feel your fingers on mines girl

your gentleman your man girl i

tell me can i be there, tell me when u need that supa  
dupa love i got that

BRIDGE

aint nobody, cant nobody do yo body like i wanna do  
girl

im tell the truth girl oh

put your body wit my body

u got the thing that i like

i'd like to think that u might like this too now

CHORUS

close your eyes

fantasize

grab on me

hold on tight, do it

what u dream, u gone c its gone be much more than  
that

(repeat)

oh-oh oh-oh much more than that

VERSE 2

something like a butterfly landing on a rose

im gone let my lips land where ever they go

kissing from your lips neck belly to your toes

make your body go oooh ooohh

BRIDGE

aint nobody, cant nobody do yo body like i wanna do  
girl

im tell the truth girl oh

put your body wit my body

u got the thing that i like

i'd like to think that u might like this too now

CHORUS

close your eyes

fantasize

grab on me

hold on tight, do it

what u dream, u gone c its gone be much more than  
that

(repeat)

oh-oh oh-oh much more than that

its gone be oh much more than that

wait and see oh much more than that

might think u had the best but its much more than that

#### BRIDGE

aint nobody, cant nobody do yo body like i wanna do  
girl

im tell the truth girl oooh

put your body wit my body

u got the thing that i like

i'd like to think that u might like this too

#### CHORUS

close your eyes

fantasize

grab on me

hold on tight, do it

what u dream, u gone c its gone be much more than  
that

(repeat)

oh-oh oh-oh much more than that

close your eyes

fantasize

its gone be much more than that oh-oh
