[Trey Songz - Chorus]Call me Mr Kodak  
Smile, I'm picture perfect  
Got my jewelery shining  
That's a Kodak moment  
Call me Mr. Kodak you know I'm stayin' focused  
Life is like a photograph  
Get money is my slogan

[T.I - Verse 1]You must be camera shy, I'm paparazzi  
prone  
They flashin' I'm the main attraction, need no  
microphone  
Wide screen me, get your High Definition on  
Everytime you see me my neck and wrist glisten homes  
Sittin' on, big bank  
I'm sober dawg, but your b-tch aint  
Yellow watch yellow chain drippin', piss stains  
Tipple lane know that Kodak couldnt picture this

[Trey Songz - Chorus]Call me Mr Kodak  
Smile, I'm picture perfect  
Got my jewelery shining  
That's a Kodak moment  
Call me Mr. Kodak you know I'm stayin' focused  
Life is like a photograph  
Get money is my slogan

High definition and when I come around  
See the cameras flick up when I'm in your town  
Cal me Mr Kodak  
Smile, I'm picture perfect  
Got my jewelery shinnin' it's a Kodak moment

[T.I. Verse 2]Ay the King here, see me clear,  
megapixels  
For real n-gga, try me, get erased like a pencil  
And until a n-gga kill me I'ma shine on (shine on)  
You can have whatever light, just give me mine homes  
I get my grind on like I'm dead broke  
I swear man I'm so money hungry till my head hurt  
Respect my evolution, check your resolution

Leave the apartment, red carpet ready, get camera  
shootin'

[Trey Songz - Chorus]

[T.I. - Verse 3]On your Q's and your P, boy, you better  
be

Gon need a dark room to develop me

My pedigree (pedigree) is hella G (is hella g)

20 Mill, b-tch aint nothin' you could tell a G

God damn cauliflower, celery

All about my Brussels sprouts, you better tell them C

Overseas I go Brazil, Monaco, Belize

Camera notice like you wont believe

[Chorus]

[T.I.]Yeah, Mr TMZ himself, haha, yeah

Access Hollywood, n-gga I access your Hollywood

You understand that? ah huh

Look at me man, front page man, you know what I'm  
sayin'

You can check me standin' tall holmes

Get your wide screen on

You know what I'm sayin', upgrade your resolution man

High definition required, you dig that? yea

You need 3d glasses to see me n-gga!
