Come On

Sittin in the jeep  
Beep beep beep  
Waitin on cc  
Wanna tell you bout a dream I had  
1st time I seen your ass  
Dancin on that chair  
Tank top and sweatpants  
I want what's under there  
You gave me a fantasy right  
Stared when you hopped in my ride  
Scooped you up from lax  
Paparazzi up in that

Sophie tell  
Don't you tell  
We was havin hella sex  
Dream so vivid that I had to tell it  
We got busy girl  
I wake up sweatin  
If we did it girl you won't regret it  
And if we never do  
I'm still happy I said it you  
Yup!
