[Verse 1]

I see you standing there
So fly from skin to hair
Like you don't want nobody close to you
Maybe I'm not your style
Too street up, just to wild
But let me show you what a guy can do

[Chorus]

So if I'm not too ghetto for you
I'd like to get to know you
Ooh girl I really wanna grind with chu
So if I'm not too ghetto for you
Got things I'd like to show you
Ooh girl I really wanna (aah) with chu

[Verse 2]

I like the way you walk (walk)
And your dirty talk (dirty talk)
Girl let me bring out the freak in you
I'll take you to my crib
Cook up some (?) ribs
Do things you never thought a guy can do

[Bridge]

You don't have to hide me from your kids, your dad
your moms
I'll put on a suit, show up with flowers or fruit
So girl, don't chu get into panic
Cause I can be romantic
But if something goes down
Trust me I can put it down, So

[Chorus]

So if I'm not too ghetto for you
I'd like to get to know you
Ooh girl I really wanna grind with chu
So if I'm not too ghetto for you
Got things I'd like to show you
Ooh girl I really wanna (aah) with chu
(x2)

Say Ooh (x4)

Ooh

[Bridge]

You don't have to hide me from your kids, your dad
your moms

I'll put on a suit, show up with flowers or fruit

So girl, don't chu get into panic

Cause I can be romantic

But if something goes down

[Chorus]

So if I'm not too ghetto for you

I'd like to get to know you

Ooh girl I really wanna grind with chu

So if I'm not too ghetto for you

Got things I'd like to show you

Ooh girl I really wanna (aah) with chu

Trust me I can put it down, So
