[Intro]

Ay, ay, ay, ay, ay, ay, SONGZ!

[Verse 1]

Zip up the bags, grab all my jewelry

I'm outta here soon as these shoes get on my feet

Can't you see, you don't touch me like you used to [no]

So I don't touch you like I used to, no

I used to moan your name, yup, now my eyes be wanderin' away from ya

[Hook]

Just wanna let you know I'm leaving town

I'm out that door and I won't be around

No more sexen ya, No more kissin ya, No more just when you about to go

it's woulda, coulda, shoulda

Didn't but you can't, 'cause

I'm gone, gone, gone

Pack my clothes, I'm out that door

Won't see me no more

And now it's like woulda, coulda, shoulda

Didn't, but you can't, cause i'm gone, gone, gone

And I ain't coming back[ain't coming back] I

ain't runnin back

Oohh, oohh off into the sunset I go[4x]

[Verse 2]

I wanna see you like I used to [yup!]

But I don't see you like I used to [no]

We used to be so tight

But the strings that attached us have gotten so loose

[Hook]

Just wanna let you know I'm leavin town

I'm out that door and I won't be around

No more sexen ya, no more kissin ya, no more just when you about to go

It's woulda, coulda, shoulda

Didn't, but ya can't, cause I'm gone, gone, gone
Pack my clothes, I'm out that door, won't see me no
more
And now it's like woulda, coulda, shoulda
Didn't, but ya can't, cause I'm gone, gone, gone
And I ain't coming back[ain't coming back] I ain't runnin
back
Oohh, oohh, off into the sunset i go[4x]

[Verse 3]

Now I'm done with talkin, it's time to get to walking
Can't say shit to make me turn around[nooo]
I see those tears are fallin', and it's my name you're
callin'
Watch my back cause as the sun goes down, I'm
walking out girl

Oohh, oohh, off into the sunset i go[8x]
