[Chorus:]

When it gets cold, I want to know  
Who's going to keep me warm on Christmas?  
Are you going to keep me warm on Christmas?  
Who's going to keep me warm on Christmas?

It's the time of the year, holiday cheer  
So why do I feel, so darn down  
I need to get up, I need to get out  
And get in the mood, so I  
Just bought a tree but I don't wanna put it up, ooh  
Walked passed the neighbors, see da windows lightin  
up, ooh  
There's no one to kiss, under the mistletoe, and I'm so  
alone, ooh

[Chorus: x2]

When it gets cold, I want to know  
Who's going to keep me warm on Christmas?  
Are you going to keep me warm on Christmas?  
Who's going to keep me warm on Christmas?

I wanna be, getting some love from a pretty young  
thing  
After tonight we can eat right, I promise to do anything  
she like  
When mama cookin she can come celebrate,  
(celebrate)  
A special girl, that make me feel a special way, (special  
way)

Could it be you, I need a boo, to bring in the new year  
with me.

[Chorus: x2]

When it gets cold, I want to know  
Who's going to keep me warm on Christmas?  
Are you going to keep me warm on Christmas?  
Who's going to keep me warm on Christmas?

[Bridge:]

She gotta be, so fine, one of a kind

She gotta be, special, and so beautiful  
And she gotta be, all that I ever wanted for Christmas  
That's the only gift I wanna receive, on Christmas  
When it gets cold

[Chorus: x4]

When it gets cold, I want to know  
Who's going to keep me warm on Christmas?  
Are you going to keep me warm on Christmas?  
Who's going to keep me warm on Christmas?
