Speaking:

You know I have to be honest
It's like for the first time in my life,
My pride is not involved
I'm not afraid
I'm not afraid to tell you girl,
That I love you
Believe that
And if I can't have you,
I don't know what ima do
Listen to me

Verse 1:

So many people never find the one
And that's why I really wanna tell you something
I really think this is it for me
I really think you're the one I need
Cause baby I done had em all
I don't want nobody but you
Uh, Oh darlin'

Bridge:

Hunny, let me break it down
See, we livin in a lonely world
Aint you tired of the runnin round?
Dont you wanna be my only girl?
Baby can I be the one you call?
When you're tired of the lies
And the truth is all you wanna hear
Well if you swear

Chorus:

Baby, here I am (here I am)
Im your man (I'm your man)
Came with everything you needed
Now you and me are undefeated,
Till the end of time
One mind, one heart, one love
(All you gotta do is)
Take my hand (take my hand)
We will stand (we will stand)
This was made to last forever,

So lets say it together, for the rest of time
One mind, one heart, one love.

Verse 2:

Ohh, Listen baby
I'll give you all I'm worth
From my head down to my shoes
And girl if we gone work,
Then I need the same from you
I know that so many other dudes cheat
But so many dudes ain't me
Give me my pick of any dime
And I'll pick you girl every time

I just wanna break it down
See, we livin in a lonely world

Ain't you tired of the runnin round?
Don't you wanna be my only girl?
Baby can I be the one you call?
When you're tired of the lies
And the truth is all you wanna hear
If you swear

Baby, here I am (here I am)
I'm your man (I'm your man)
I came with everything you needed
You and me are undefeated,
Till the end of time
One mind, one heart, one love
All you gotta do is,
Take my hand (take my hand)
We will stand (we will stand)
This was made to last forever,
So lets say it together for the rest of time
One mind, one heart, one love

Hook:

Ohh, Love is hard to find
But love is one of a kind
And I got mine
So if you got yours,
Then you know what your livin' for
This goes out to all my lovers tonight
And if you listenin' to my groove,
And your baby's next to you,
Tell em
You are all I need and I'll never let go
(Yeah baby)
(Can you say it one time?)
You are all I need and I'll never let go

(Never let go of you)

And here I am (here I am)
I'm your man (I'm your man)
I came with everything you needed
You and me are undefeated,
Till the end of time
One mind, one heart, one love
All you gotta do is,
Take my hand (take my hand)
We will stand (we will stand)
This was made to last forever,
So lets say it together for the rest of time
One mind, one heart, one love

Ohh ohh ohh ohh, oh yeah
(You are all I need and I'll never let go)
Ohh, Love
Love, love
Tell em
You are all I need and I'll never let go .
