if you up in the club trya get her up
then you need to tell the dj to put this on
{put put put this on put this song on}
let me tell you what it is
put away the kids
its time to get it up, get a cup, fill it up
filling on her booty touchin on her butt
time to get it back to the crib beat it up
we been spendin time
im gonna make you mine {oh ohhh}
when your not around your still on my mind
and i hope this aint suprising but i been fantising
this aint no joke let me clear my throat]

(chorus)
i wanna make love to you
this right here's a panty droppa

and we be makin babies tonight

Legs like a model

and we gone get it in just like we should
put it in the hole like tiger woods
