baby, im so sorry im late
its been such a long day
i went to go get my nails done, i went shopping, and im
in love with these shoes, i cant wait till you see me with
them on
(trey)
your welcome(im soo happy to see you)
you are, you are, your (mwuahh)
your welcome(how was your day?)
come in(come in)
relax(relax)
let your (let your) hair down please
for me(3xs)

ooo your so fine
soo happy your my(my girl)
your present is a gift that i dont wanna waste no time

so tell me what chu need and i got it
material, or is it physical,sexual, intellectual let me
know

girl, ive been waitin all day and all night for you to
come and get right in my life
you play a special part
and im givin you all my heart(are you givin me yours im
askin)
liqiour got me givin you the passion
say that you'll forever be my baby
liqiour got me feelin so crazy
never wanna think about the next girl
cuz you made me forget about my ex girl
