You already know, trey songz

[Verse 1:]

I've been cool, I've been patient

I've been true and I waited

I ain't been pressed, when you wanna go to louie

I'm the type to say yes ain't I baby?

So wouldn't you say with all that work

It's time for play... ain't it baby?

Don't gotta lie, I'm in the mood

Tonight's the night, so looka here baby

[Chorus:]

We gone set the mood with a couple of shots

Of patron patron patron

12 play album is the bomb, play that #1

That's my song my song my song

Now one shot is what I like

Two shots gone have you rite

Three four five six now we feelin nice

Let me stay the night, don't think I can drive

I'm too gone too gone too gone

Now you wanna let go don't you babe

Cause your so worth it but looka here baby

Say you ready like I'm ready
Say you want me (cause I want you so bad)
Say you feel it like I feel it
Say you need mee cause I need you so bad
Sip by sip, shot by shot
Gone feel this rush, feel this buzz
Feel my light... so looka here baby

[Chorus]
