Role play....we can play house
Lay it down for daddy [2x]

[verse - 1]

Baby when ya lonely
U can find me in ya call log
Tell me that ya horny I'll kindly come
Over and get things popped off
Get into ya favorite game we call it 4play
I wanna kiss up on ya neck ill do it slowly
You know...u can get it whenever babe
The bedrooms the playground babe
Call me so we can play...house

[chorus]

We can play house
U be the momma girl call me daddy when
I blow that thang out
Yeahhhh...so baby come and lay it down
4 me

Lay it down 4 daddy [3x]
Now baby gone and lay it down 4 me
Lay it down 4 daddy [3x]

[verse - 2]

Baby it feels like heaven
Feels like breakfast on sunday morning
It feels right ooooooh girl
I love makin yo love come down
We make those love sounds...we can do it
All night yeahhh
Simon says lets go to the bed and lay it down
So we can play house

[to chorus]

[bridge]

By the time we're done...sun will set

Flashin when we're havin fun
Baby you'll find that I never speed on your love
I wait...close so close I dont want it to be over
Feels so good it should be a sin
Feel just like a kid again when we play

[to chorus]

Its dat role play role play
Show me what you bout girl
(break it down 4 daddy)
We can play house girl
Role play role play
Show me what you bout girl
(break it down 4 daddy)
We can play house
