(Verse)

We just broke up this kinda new  
I admit I'll still be ridin through  
I heard you got another niggah too  
I've seen his benz that 2009 shit  
Plus your homegirl I just fucking  
She let all my friends hit  
That's our subject I know fuck it bring  
The papers keep them judges tell 'em  
Haters they some busters bad bitch  
Then I bags it like I work out in publix  
Got plenty girls so many girls  
And pieces of me love it  
But some pieces of me doesn't  
Guess that's a players nature  
Guess I holla at you later  
Are you really done, I mean really done with me?  
You said you would be here counting millions with me  
Now you gone, my baby's gone, you're gone  
And I want for you to come on home  
I'm going crazy

(Pre-Chorus)

But I can't act that, fresh snapback  
My cup is full of hennessy  
Just me and my mentally  
Windows down got a joint rolled  
Where I'm 'bout to go a niggah don't know

(Chorus)

But I'm, but I'm sick of playing hard  
I give up girl, sick of fighting this war  
Cause I'm losing if I'm losing you  
Can't shake, heart break, can't fake baby wait  
Imma say it, I admit it girl I've been a fool  
Sick of playing hard, I'm sick of playing hard

(Verse)

I'm sick of playing hard but that's something that I can't  
help  
Fucking all these broads I'm disgusted with my damn  
self

My back you would massage, I miss how your hands  
felt  
But the show's goes on, and that's even if the bed low  
Catch me in Miami puerto rican with a dancer  
Talk is something sexy but I never understand her  
Te amo mami, but yo no se, I'm lonely mami, I'm not ok

(Pre-Chorus)

But I can't act that, fresh snapback  
My cup is full of hennessy  
Just me and my mentally  
Windows down another joint rolled  
Where I'm 'bout to go a niggah I don't know

(Chorus)

But I'm, but I'm sick of playing hard  
I give up girl, sick of fighting this war  
Cause I'm losing if I'm losing you  
Can't shake, heart break, can't fake baby wait  
I'll say it, I admit it girl I've been a fool  
Sick of playing hard, I'm sick of playing hard

(Bridge)

I'm so sick of frontin' like I don't miss you when you  
leave  
And laying in bed at night  
You even sexy girl when you sleep  
Feels a little crazy lying here alone  
But I'm stuck on that niggah shit  
That I be on, that I be on  
And it's niggah shit that got me smoking, driving,  
drinking girl  
I'm tripping, blowing up your phone

(Chorus)

But I'm, but I'm sick of playing hard  
I give up girl, sick of fighting this war  
'Cause I'm losing girl  
Can't shake, heart break, can't fake baby wait  
I'ma say it, I admit it girl I've been a fool  
Sick of playing hard, I'm sick of playing hard

(Outro)

So uh  
(Sick of playing hard)  
Yeah I'm just  
(Sick of playing hard)  
Without you  
Feels a little crazy  
Yeah  
Just, I just

I'm sick of playing hard
