Its Trigga!
Pop that pussy bitch!
Swerve
Pop that pussy bitch!
She ride my dick just like the beat
I make that pussy spit
Ass so fat
Fuck a lapdance!
Dark knights treating pussy like a batman
I beat it up
I beat it down
Pussy chant thatâ€™s pound for pound
Lick my nuts and all around
I need to hear that slurping sound
She say whatever though
I say now or never
Say she gon fuck me good
But she gon suck me better
Act wrong and get left behind
Black thong is her left behind
Thatâ€™s one ass cheek jumping out the gym
& the right behind its like right behind
When she on that pole
Its flip mode like she Busta Rhymes
She aint give me head though!
Why?
i fucked her mind!
Told her bring that bubble
Bring that bubble
Bring that bubble back
Paper I been throwing just to show you where your
hustle at
Bring your girl, double back
I bet I double that
The pop your pussy like its motherfucking bubble wrap!
