"Pretty Brown Eyes"

(feat. Amerie)

[Amerie & Trey:]

Yupp!

[Trey Songz:]

Ohh, oh, oh oh-ohhhh oh

[Amerie & Trey Songz:]

Ohh, oh, oh oh-ohhhh oh

[Amerie:]

Is it a crime to want that old thing back?

Can it be wrong to miss the way you used to kiss me?

(Back!) Back in the day

(Back!) Back to the way you used to love me (you used to love me)

Now you've got me ready to break the law again,

'Cause I made a vow to rock with you til the end

So, tell me why lately you ain't been the same?

'Cause I remember when you said

[Trey Songz:]

Right from the door, said can we talk?

You had me caught, got to admint it love

Let's cut straight to the point,

You know with me is where you belong

Now here we are, how did we grow so much apart?

So far from the start

[Amerie:]

Let's cut straight to the point

[Trey Songz:]

Baby you know with me is where you belong

[Amerie:]

Pretty brown eyes! You know, I need you

That's why I keep holding on, I can't let go

I hold on, hold on, hold on, hold on, I

Keep holding on after all your rejections

'Cause I don't wanna let go, but you should know
I'll move on, I'll move on, I'll move on
Pretty Brown Eyes!

[Trey Songz:]

So let's go, let me know
You know where you belong
What's the hold?
Baby you know with me is where you belong

[Amerie:]

It's like one minute you're warm,
And then the next you're so cold,
I never know when you're coming or going, hey

[Trey Songz:]

Tell me why lately you ain't been the same?
I still remember when you said
Right from the door, said can we talk?
You had me caught, got to admit it love
Let's cut straight to the point
You known with me is where you belong
Now here we are, how did we grow so much apart?
So far from the start

[Amerie:]

Let's cut straight to the point

[Trey Songz:]

Baby you know with me is where you belong!

[Amerie:]

Pretty brown eyes! You know, I need you
That's why I keep holding on, I can't let go
I hold on, hold on, hold on, hold on, I
Keep holding on after all your rejections
'Cause I don't wanna let go, but you should know
I'll move on, I'll move on, I'll move on
Pretty Brown Eyes!

[Amerie & Trey Songz:]

And I don't want to be the one to tell you everything (tell
me everything)
'Cause I've been spending all my time give you a
chance to change (baby I'm a' change)
You say you're in love, but
If this is love, what
Can I do to make it feel better?
And what about the feeling that there's someone on the
side (noo)
'Cause lately you've been acting like you got so much

to hide
'Cause I know that lately you ain't been the same,
And so I got to let you know that

[Amerie:]

Pretty brown eyes! You know, I need you
That's why I keep holding on, I can't let go
I hold on, hold on, hold on, hold on, I
Keep holding on after all your rejection
'Cause I don't wanna let go, but you should know
I'll move on, I'll move on, I'll move on
Pretty Brown Eyes!

[Trey Songz:]

Don't move on, don't move on,
Don't move on, don't move on,
Don't move on, move on from me yea!

We belong together!
Forever! Ever! Ever!

[Amerie:]

Forever and ever and ever
Yeah
