(Verse)

She grew up without a father  
Never knew how to love a man  
She's addicted to breaking hearts and moving on  
So I never really stood a chance  
And the sparkle in herr eyes  
They shine so flawless I'm amazed  
Blinded by an angel's face  
It's the sweetest poison  
One kiss and now you got the venom in your veins  
Believing everything her lips say

(Chorus)

Pretty girls lie  
Lipstick and a smile  
Makes you want to believe  
But pretty girls hide  
Pain so deep inside  
She can't even see  
Pretty girls lie  
Pretty girls lie

(Verse)

Got you walking through a maze, yeah  
Eyes closed tryin' to find your way  
Got your arms reached out  
Hoping she gon' make a sound  
But she don't wanna be found  
But she'll tell you come anyway  
And you'll know the difference  
From the real or the fake  
Devil in the trust, but an angel in the face  
Never ever yours but it's only for the day  
Is it real when you calling my name

(Chorus)

Pretty girls lie  
Lipstick and a smile  
Makes you want to believe  
But pretty girls hide  
Pain so deep inside  
She can't even see

Pretty girls lie

(Verse)

I want to give the benefit of the of the doubt  
The best in her I wanna help bring it out  
I know something's missing inside  
If you let me I can show proof  
Girl there ain't no running from the truth  
She says I'll be there  
Girl don't just tell me what I wanna hear

(Chorus)

Pretty girls lie  
Lipstick and a smile  
Makes you want to believe  
But pretty girls hide  
Pain so deep inside  
She can't even see  
Pretty girls lie

(Outro)

Such a pretty face and  
She can't find her way  
Such a beautiful girl  
Lost in the world  
Can't trust what she says  
After so many break-ups and make-ups in life  
Could've been making love and end up in a fight  
Ooh, tell me why  
Pretty girls lie
