(Chorus)

Ass in the air, she up on the pole
Keep that pussy popping, do it fast, do it slow
Nasty, filthy, she already feel me
And when its time to go she gon do it like a real freak
And that's for real, like a real, like a real freak
Ay for real, she a real, r-r-real freak
Ass in the air, she up on the pole
Keep that pussy popping, do it fast, do it slow
She a real freak

Time to go to work, then yo pussy is the business

Nasty, filthy, she already feel me
And when its time to go she gon do it like a real freak
And that's for real, like a real, like a real freak
Ay for real, she a real, r-r-real freak
Ass in the air, she up on the pole
Keep that pussy popping, do it fast, do it slow
