Ladies make some noise if you wanna be my  
replacement

Lat me show what it is  
I was born up top but was raised at the bottom of the  
map  
Where the girls all thick and the hottest niggas rap  
If you lookin' for the goods then we got in the trap like

Ooo wee  
Took 'em from white snakes to  
Ooo wee  
This metaphor might sound a little confusing but

Y'all don't really even know me yeah, yeah  
I done come all way from the Days Inn  
And all the hotels that stayed in  
I took my lifestyle from mediocre to good  
And now I say it's sittin' at amazing

Girls tryin' sell a whole lobby of us  
Hear 'em all screamin', then it's probably is  
But I can't blame females  
Females can't really ignore something this obvious

What you really expect when I strut through town  
Two or three days I shut you down  
Chilin' wit the homie Trey Songz  
You call him the prince he rep two up two down

Anyone I know get used to me  
I'm far from the man that I used to be  
I don't ever really kick game  
I know you find it impressing whenever you introduced  
to me

'Cause I'm a good dude who take pride in that  
Need good lovin' I'm providing that  
Understand that I'm worldwide  
You get who you want it wherever you be residing at

'Cause I do things from the M-town to the UK

From Spain back out to Texas  
This album's for my fans  
But yo this hook is for my exes

This one is for you, girl  
You know who you are, girl  
You only show your face  
'Cause you know that I'm a star, girl

What you trying to, to make it  
Don't ever mistake it  
'Cause my time is limited  
And I ain't trying to waste it all on you

You had a chance, now it's gone, ooh  
You had a man, now you don't  
Back to the basics, I think I made it  
Ladies make some noise if you wanna be my  
replacement girl

Ain't ya never seen a yougin' so fly  
Lookin' for someone your type  
I done left behind the love of my life  
Tryin' to find another one tonight

And if it's you baby, let yourself be seen  
Don matter skirts, dresses or jeans  
I got that work, know what I mean  
And I'm flexing on my ex if you know what mean

This one is for you, girl  
You know who you are, girl  
You only show your face  
'Cause you know that I'm a star, girl

What you trying to, to make it  
Don't ever mistake it  
'Cause my time is limited  
And I ain't trying to waste it all on you

You had a chance, now it's gone, ooh  
You had a man, now you don't  
Back to the basics, I think I made it  
Ladies make some noise if you wanna be my  
replacement girl

Check this out, from the that she get picked for some  
take out  
Until they slip up and break out  
But it's another story over here at Drake's house  
'Cause I'm dripped up and I'm draped out

And I'm lean back, scoping  
Looking for a woman that I should wife  
Who got just the right amount of loyalty  
Yeah but is still anticipating us living the good life

We go LA, VA, NY to  
Sunshine in that heat stroke  
And them fur hoods in that deep snow

We have breakfast in the bedroom  
Break bread downstairs in the basement  
Since Jay and Kelz ain't doing the thing no more  
Guess me and the boy Songz is the replacement

This one is for you, girl  
You know who you are, girl  
You only show your face  
'Cause you know that I'm a star, girl

What you trying to, to make it  
Don't ever mistake it  
'Cause my time is limited  
And I ain't trying to waste it all on you

You had a chance, now it's gone, ooh  
You had a man, now you don't  
Back to the basics, I think I made it  
Ladies make some noise if you wanna be my  
replacement girl
