Drake Feat. Trey Songz
Replacement Gurl

[Drake]
Let Me Show You What It Is
I Was Birthed Up Top But Was Raised At The Bottom Of
The Map
Where The Girls Are Thick
And The Hottest Nigga Rap
If You Lookin For That Good Then We Got It In The Trap
Like Oo Wee Take Em From White Sneaks To Louie
This Metaphor Might Sound A Lil Confusing But Y'all
Dont Reall Know Me If You Know Me
I Done Come A Long Way From The Days Inn And Other
Hotels That I Stayed In
I Took My Life Style From Meediocure To Good And
Now Its Here Sittin At Amazing
Girls Tryna Sell Whole Lobby Of Us
Hear Em All Screamin And Its Probably Us
But I Cant Blame Females. Females Can't Really Ignore
Something Thats Obvious
What You Really Expect When I Strutt Through Town
Two Or Three Days I Shut You Down
Chillin With The Homie Trey Songz You Can Call Him
The Prince
He Rep 2 Up 2 Down
Anyone I Know Get Used To Me Im Far From The Man
That I Used To Be
And I Dont Ever Really Kick Game I Know You Find It
Impressing
Whenever Your Introduced To Me
Cuz Im A Good Dude Take Pride In That
Need Good Lovin I'll Provide In That
Understand That Im World Wide You Can Get It How
You Want Wherever You Be Residin At
Cuz I Do Things From The M-Town To The Uk And From
Spain Back Out To Texas
This Albums For My Fans But Yo This Hook Is For Me
Ex's

[Chorus: Trey]

This One Is For You Girl
You Know Who You Are Girl
You Only Show Your Face Cuz You Know That Im A Star
Girl
But Your Tryna Make It
Dont Ever Mistake It Girl My Time Is Limited
And I Aint Tryna Waste It All On You
You Had Your Chance Now Its Gone
You Had A Man Now You Don't
Back To The Basics
I Think I Made It
Ladies Make Some Noise If You Wanna Be My
Replacement Girl.

[Trey Songz]

Aint You Never A Yougin So Fly
Lookin For Someone Your Type
I Done Left Behind The Love Of My Life
Tryna To Find Another One Tonight
And If It's You Baby Let Yourself Be Seen
Dont Matter Skirts, Dresses Or Jeans
I Got That Work Know What I Mean
And Im Flexin On My Ex If You Know What I Mean

[Chorus: Trey Songz]

This One Is For You Girl
You Know Who You Are Girl
You Only Show Your Face Cuz You Know That Im A Star
Girl
But Your Tryna Make It
Dont Ever Mistake It Girl My Time Is Limited
And I Aint Tryna Waste It All On You
You Had Your Chance Now Its Gone
You Had A Man Now You Don't
Back To The Basics
I Think I Made It
Ladies Make Some Noise If You Wanna Be My
Replacement Girl.

[Drake]

From The Moment That She Get Picked Up For Some
Take Out
Until They Slip Up And They Brake Out
But It's Another Story Over Here At Drake's House
Cuz Im Dripped Up And Im Drapped Out
And Im Lean Back Scopin
Lookin For A Women That I Should Wife
Who Got Just The Right Amount Of Loyalty But Still
Anticipates Us Livin The Good Lif
We L.A. , V.A., N.Y., T.O.
Sun Shine And That Heat Stroke

In Them Fur Hoods And That Deep Snow
We Have Breakfast In The Bedroom Then Brake Bread
Downstairs In The Basement
And Since Jay And Kellz Aint Doin The Thang No More
Guess Me And The Boy Songz The Replacement

[Chorus: Trey Songz]
This One Is For You Girl
You Know Who You Are Girl
You Only Show Your Face Cuz You Know That Im A Star
Girl
But Your Tryna Make It
Dont Ever Mistake It Girl My Time Is Limited
And I Aint Tryna Waste It All On You
You Had Your Chance Now Its Gone
You Had A Man Now You Don't
Back To The Basics
I Think I Made It
Ladies Make Some Noise If You Wanna Be My
Replacement Girl
