Show  
Â up when it's closing  
Turn up then I go in  
With me myself and I  
And just a couple of my bro-hands  
Cause I don't need no homeland  
Security my own man  
That mean I am a grown man  
WantÂ beef  
? and they we go HAM  
Like whoa- down and oh man  
She twerkin it with no hands  
These other niggas hatin, they remind me of my old  
friends  
Golden and I'm glowin  
My shoes is Ricky Owens  
Coke man, my business aint the only thing her nose in  
People takin pictures I aint even posinÂ'  
Couple famous niggas make these bitches slow then  
[Bridge: ASAP Rocky]Â  
Reality she sweatin me  
Her fantasy is sexin me  
Just for standing next to me  
Will make you a celebrity  
[Hook: Trey Songz]Â  
Don't get too close, too close  
I might come on to you  
Don't get too close, too close  
I'm warning you  
Cause if we fucked tonight, tomorrow youÂ'll be  
famous  
Cause if we fucked tonight, tomorrow youÂ'll be  
famous  
[Verse 2: ASAP Rocky]Â  
Same bitch, in my veins witch  
Ass in my acid lane switch  
When the paint drip  
When I pass pass  
Swag on them, champagne drip let it splash on em  
Thing is I aint wasted, you spent your last on em  
Thousand dollar jeans call em Balmain

Like so ghetto fab call me Paul Cane  
That's the reason why I'm with her  
These other bitches bitter  
Iâ€™m the quickest picker upper  
I will hit her then I quit her then I give her to my niggas  
Iâ€™m no kidder split her kitty litter finger in her shitter  
Then forget her like we never did her  
[Bridge]  
[Hook]  
[Break: ASAP Rocky]â  
Same bitch, in my veins witch  
Ass in my acid lane switch  
Hit her then I quit her then I give her to my niggas  
My shoes is Ricky Owens  
Coke man, my business aint the only thing her nose in  
[Verse 3: ASAP Rocky]â  
Snowinâ€™, blowinâ€™, frozen, cokeland, Snowman  
My business aint the only thing her nose in  
Went from ex-pretty boy crooks slash dopeman  
To handing out 100 dollar bills to the dough man  
Now somebody please let the hoes in  
Somebody please let my broâ€™s in  
You wont believe how my froze in  
Overnight celebrity, they party til the show ends
