It's 'loso, you might be too drunk to know so

[Fabolous:verse three]

All I prescribe is cranberry and vodka
Then I'm tryna kick it, play a lil soccer
And bust a couple off, blaka blaka
The henny in ya system
Ya start drunk textin and suddenly you miss him
Or even wanna diss him
Then you call ya girl like what the hell ya gave me
She like don't blame me, you better do like jamie (nice)
And blame it on liquor
It works every time, patron you my nigga
Know it's somebody birthday well where ya at (where ya

And I know ya thirsty but don't know where ya glass at

[Chorus]

Go girl, it's your birthday (say ahh)

Open wide, I know you're thirsty (nice)

And we don't buy no drinks at the bar
We pop champagne cuz we got that dough
Let me hear you say ahh... (say ahh)
If you want me say ahhh... (say ahh)

Go girl, it's your birthday (ok baby)
Open wide, I know you're thirsty (yeah that's how you
