[Interlude]

We when hop up in the bed
You know what it is
You gon be on me, Ima be on you
And It feel so good, I gotta have it
Damn it feel so good,
The way you be grabbing.

[Chorus]

Sheets, the pillows,
dresser, covers, S the mattress
The passion making love
Girl you scratchin me up.
But Its cool
Cuz I love when we touching
I love when we kissing
Sexing you be scratchin me up

[Verse 1]

Pose for the camera while it flash
Take pictures when we kiss
I grab yo ass [ass x3]
Nasty love. Passionate. Give it up
From beginning to the end
The way we get it in

[Bridge]

Cant another couple compete
When we in the sheets
Breakfast in bed ,
Love the way I eat
I love the way it be,
We a couple freaks
Rockin to the rhythm
& the rhythm of the beat
Is your body, On my body
Clap, Clap, Clap
Bring It back, back, back
Smack, smack, smack
When I act like that
She react right back
Pullin onnnnn

[Chorus]

Sheets, the pillows,
dresser, covers, the mattress

The passion making love
Girl you scratchin me up.
But Its cool
Cuz I love when we touching
I love when we kissing
Sexing you be scratchin me up
Then I go a little deeper,
Sexin you be scratchin me up
Then she scratch a lil harder
