and i am loving you all your style mamma
you've been chilling come get it clean it over here
take care of me like you was my momma
spend so much time always on my mind
you and me the tv some candles and some wine
watching a movie from my jacuzzi
can i keep it real i wanna feel it on your bootie
it's quarter to three turn the lights on
baby lay here with me take your night clothes off
girl i wanna make your body feel so good
i wanna hear you make sex
sex sound uh baby yeah baby
i wanna hear you make sex sound
ooo
i wanna hear you make sex sound
uh baby yeah baby
i wanna hear you make sex sound

..say crying instead of smiling
give a little thicker going a little deeper
drink a little liquor get about he nigger

.. beating up the wall
so loud the neighbors are about to call
they tell us to keep it down
but i am going deeper now

gonna dive you on a waterfall
don't let me drawn
.. beating up the wall
so loud the neighbors are about to call
they tell us to keep it down
but i am going deeper now
gonna dive you on a waterfall
