"She Lonely"

Yo
I'm at that time
In my life, heh
I kinda
Kinda need somebody
You know
For the first time
For the first time
In my life
I'm lonely

Comes a time
In a man's life
When you're looking
For a change
It ain't feeling right
When you know
You need a lady
Someone that you
Can call your baby
Oh, ain't it funny
When you think
You got it all
Got plenty of honeys
Which one
Am I gonna call
Ain't none
Of these girls
Right for me
(No)
All they want
Is one night

[Chorus:]

Have you ever been lonely
You don't even wanna sex
You want a homie
So many different girls
Tell me
That they own me

But they tripping
Y'all
They so phony
Have you ever been lonely
You don't even wanna sex
You want a homie
(I want a homie, y'all)
So many different girls
Tell me
That they own me
But they tripping
Y'all
I'm so lonely

I ain't gon' lie
Always been
A player, mayne
(Player, mayne)
I'm giving up
That fast life
I'm tryna
Switch lanes
I want a homie
Lover, friend
Or a chick, mayne
To hold it down
Or keep it real
(That is it, mayne)
And I done had
Lotta time to myself
Oh, no
I feel that it's
About time for me
To be somebody real

[Chorus]

People
They hatin love
That ain't right
(That ain't right)
You know it
Makes me so unhappy
Try to keep it
Away from me
(Oh, no)
Misery loves company
Girl
Try to play games
With my mind
(With my mind)

Need someone
In these arms of mine
Ain't no limit
To how far I'll go
(Oh, no)
But until then
I guess
I'll be alone
(Alone)

[Chorus]

I want a homie
Y'all
I want a homie
Y'all
I need a homie
Y'all
Find me a homie
Y'all
