i love you, i love you, ohhh i love you, and i need you
baby and you need me to, soo no matter where your
love goes and the sheet dosent care, she knowss, im
theree, cause i know how much my baby needs me,
yeah, i beleivve, but she needs me, oh my sugar, i
guess it isnt very smart of me following you tagging
along but why , ohhh il take care of you im here im with
ya baby forver i will be your freind oh your lover
because whenil be shinning too wake up alwayyss and
make the da sky she needs me so i will go why my baby
needs me and il always
