fuck what niggers are talking that shit is getting old
.. drop you niggers in the coffin somewhere out your ...
.. bad bitch get twisted i just call it a contusion
i know i am making a name i've been spitting spare
time
rap it like a rapper this is my i don't care lines
you better get it monster be aware...fight the grizzly
go help the bear just wish to share my mind
check cashier just to share my time
i am highest than himalayas pray ..
just the lord really hit me once i say him what ...
focus on the e-mail the link full of detail

fly too many bitches plus i spend too much on retail
i am on the fast track this bitch is about to derail
this case .. they beat the sea shell
i am all .. bring that ..
..swallow the load i am shiting you to come out ..
love song are taking women to jupiter .. go to hell
with a code c bitch real nigger threatad .. get this ... out
of my face like a ..
you can catch me up in time square 2 billboard
what i need to chill for i am doing fine here...
fucking like a virgin so i call her mary magdalene
.. she was funny ... i think i am gonna start right there
