[Intro]

I, I can't really explain what it is she does
But ah, yeah, whatever it is, whatever it is
It's simply amazing

[Verse 1]

Her head is on my chest,
The sun comes rolling in
We're lost in these covers
And all I feel is skin
I slowly kiss your face
Beautiful in every way
You are, you are...

[Bridge]

See I'm a man, that don't believe in much
But I'll be damned if I don't believe in us
And how we play a fight up in the bathroom (bathroom)
Next thing you know I'm making love to you (love to you)
Girl, promise me you'll never change

[Chorus]

She ain't perfect, but she's worth it
Every breath I breathe for the life I'm in
And I know I might not deserve it
But she loves me, and it's simply amazing, you are
Simply amazing, you are, simply amazing, you are
And she loves me, and it's simply amazing
Amazing, amazing

(Verse 2)

The girl's a work of art and I can't help but stare
Got the smile like the sunset and the ocean is her hair, uh
What she do ain't fair, uh
And she know me better, than I know myself, mhm

[Bridge]

See I'm a man, that don't believe in much
But I'll be damned if I don't believe in us
Like when I said I loved you for the first time
And the tears dropped from your eyes
Girl, don't you ever change...

[Chorus]

She ain't perfect, but she's worth it
Every breath I breathe for the life I'm in
And I know I might not deserve it
But she loves me, and it's simply amazing, uh
Simply amazing, uh, simply amazing, whoa
And she loves me....

[Breakdown]

There is nothing, in this world
That can keep me away from you
And ain't nobody
Who could ever compare to you, whoa

[Chorus]

She ain't perfect, but she's worth it (I'm telling you she is)
Every breath I breathe for the life I'm in
And I know I might not deserve it
But she loves me, and it's simply amazing, yeahhhhh
Simply amazing, yeahhhh, simply amazing
And she loves me and it's simply amazing....
