Hop up in this bed baby  
Let me run my fingers through your hair baby  
I wanna drive you crazy  
You be the mashed potatoes i'm the gravy  
And you be moanin' beggin' mo'  
I'll give you what you need  
Grabbin' scratchin' turning backwards  
Messing up the sheets  
All I wanna do is lay up in this bed wit chu  
Won't ever wanna leave this bedroom

We gon' be skippin' work  
I'ma take the day off  
Cos I wanna spend it wit chu  
We gon' be skippin' work  
All the phones turned off  
Ain't nobody get through  
We gon' be skippin' work  
Skippin' work girl  
I'ma touch your body baby  
I'ma kiss your body baby  
I'm gon' put in some work  
And girl i promise tonight  
I'm gon' get me some overtime

I wanna lay wit chu  
And make your body scream  
Yodel-ay-he-hoo  
Girl I promise I won't do your body wrong  
Just remove that thong  
And you know it's on  
we can sip some wine nd watch some tv  
We don't go nowhere  
And girl I love your body  
You don't need no underwear  
So excuse me for being so freaky

Excuse me for being so downright nasty

We gon' be skippin' work  
I'ma take the day off  
Cos I wanna spend it wit chu

We gon' be skippin' work  
All the phones turned off  
Ain't nobody get through  
We gon' be skippin' work  
Skippin' work girl  
I'ma touch your body baby  
I'ma kiss your body baby  
I'm gon' put in some work  
And girl i promise tonight  
I'm gon' get me some overtime

Hop up in this bed  
Girl take it off  
When you see this bed girl  
Take it off take it off  
I promise to give  
Your body some good loving  
And baby you and me

We gon' be skippin' work  
I'ma take the day off  
Cos I wanna spend it wit chu  
We gon' be skippin' work  
All the phones turned off  
Ain't nobody get through  
We gon' be skippin' work  
Skippin' work girl  
I'ma touch your body baby  
I'ma kiss your body baby  
I'm gon' put in some work  
And girl i promise tonight  
I'm gon' get me some overtime
