### "Songz Magic"

So what if you flipped a couple birds,  
I could triple that in words.  
Open my head you see? and the feds  
That means it's heavy on my mind,  
Think about it all the time,  
Then I write another rhyme  
Get richer before the get a  
Na nigga I consider a friend of mine,  
Considerin I drink a lot of liquor my livers fine.  
Figurin there ain't a lot a niggas could really rhyme,  
So when I'm spittin I be chillin and killin time  
But on that other shit thugin it,  
Fellas can't fuck with it,  
I'm on another level, R&B rebel,  
Killin these fools, so tell me where is the shovel?  
Feelin these dudes? Then you're ears must struggle.  
What I'm really meanin is my peers in trouble,  
They can work hard but I'm putting in double  
I ain't tryin to dis, really I am tho  
Cause if I'm in timbos, them niggas is?  
But you can still catch me at a beach,  
Getin a little piece of a freak,  
Gettin a little brain from a dame,  
Facts still remain the same,  
It's Treymane one of the best in the game.

### *[Chorus:]*

And I'm getting it I'm getting it  
I ain't talking about it, I'm living it  
I'm getting it, straight getting it  
Get get get get get get it boy  
(Don't waste your time, fighting the law, state your  
voice, and you'll understand)

Now sick state of mind that I be in,  
In my prime, for that time I'm Jay-Z'in,  
If it wasn't for the Burg where I come up  
Then neva would these eva so clever words eva come  
up.  
Uh, no pain no profit,

They say the game got a key well I'm the locksmith,  
They say you maine got they keys, but he hot shit,  
You can shop with him but you might get knockd quick,  
Fresh J's, 360 ways, looking at the dope boys, while  
they chop on blades,  
Pocket full of hope like I gotta get paid,  
Nickel bags too fat they gotta get trey  
Heavy in the game but I never get played  
Call me Kanye when my chedda gets?  
They can try to get me; I will never stand down,  
You can call me 50 when I take a man down.

*[Chorus:]*

And I'm getting it I'm getting it  
I ain't talking about it, I'm living it  
I'm getting it, straight getting it  
Get get get get get get it boy  
(Don't waste your time, fighting the law, state your  
voice, and you'll understand)
