I like a long hair redbone thick, with them legs long

Shawty scream loud, shawty gone moan
call that music to my ears, headphone
after we get it in, you can head home
then ima get your friend in my bedroom,

Get so much pussy i bet you i can guess your panty

August 4th, is you ready for me girl, i fuck you better
den them niggers
in your world, lick that kitty cat until she purs meow,
beat it up so bad you wanna curse me out,

Ay ci ci you looking real good in that video girl,
(C'mon) sitting in the jeep, beep beep beep,
Waiting on Ci ci ci, i wanna tell you about a dream i had
first time i seen that ass,
dancing on that chair, tank top & sweat pants, i want
whats under there,

Started when you hopped in my ride, Scooped you up
from LAX,
Paparazzi ducking there, So if you tell, dont tell, we was
having hella sex,
Dream so vivid that i had to tell it, we got busy girl i
woke up sweating,
if we did it girl you wont regret it,
and if we never do, im still happy i said it (YUP)

i dont wanna have to come whoop his ass (whaoo),

what you worried bout,
eating all that ice cream,
sitting on the couch,

whats that you know you the baddest,
What you gone go back to ya mamma and your daddy,
