Hit me spray, hit me spray  
Hit me spray, hit me spray.  
I was ... when I got a call,  
From my girl that I ..in the morn'  
She was talking about breaking me off,  
And I'm just hurt today what I'ma supost to say, no  
When I'm gonna turn it down, she was the queen that  
wore the crown,  
So I asked her what she want from me,  
She whispered softly, hit me spray.  
Chorus:  
Girl I give you what you say, hit me spray,  
I can tell you really wanna play, hit me spray  
Playin with that naked game, hit me spray,  
With you ... you don't have to spray.  
Girl I give you what you say, hit me spray,  
I can tell you really wanna play, hit me spray  
Playin with that naked game, hit me spray,  
With you ... you don't have to spray.  
That's to my .. who can put it down,  
I know it, .. I'll but we can both crown,  
Girl honest we can play all day, ohh  
...if it ain't came my way, ohh  
When a girl like that, how can I say no, (no, no, no)

...and vogue  
No I never hurt an ass like that before,  
Tookng ...way, if you won't let me to spray.  
Chorus:  
Girl I give you what you say, hit me spray,  
I can tell you really wanna play, hit me spray  
Playin with that naked game, hit me spray,  
With you ... you don't have to spray.  
Girl I give you what you say, hit me spray,  
I can tell you really wanna play, hit me spray  
Playin with that naked game, hit me spray,  
With you ... you don't have to spray.  
She says she ... with me in the rainy days,  
She will do anything I want to make a spray  
If my heart is going down, she like to play it round,  
She can really be a saint if I make a spray.  
[Chorus:]

Hit me spray, hit me spray  
Hit me spray, hit me spray.
