Just charge it to my account
I hope I haven't gone over my limit
With interest rates so swift
No need to scream and shout
No doubt if women are from Venus now
I'll get to them somehow

All I want to do is please you
Please myself by living my life too

[Chorus]

And all the stupid things I do
Have absolutely no reflection on
How I feel about you
How I feel ohhh
All the stupid things I do have absolutely no reflection
on
How I feel about you
How I feel about you, yeah

Yes I recall
Skipping on breakfast to play basketball
Then feeling two feet small
Sometimes you read like William Shakes
Your scent is sweet like Betty Crocker bakes
I love to have your cake and eat it too

All I want to do is please you
Please myself by living my life too

[Chorus]

And all the stupid things I do
Have absolutely no reflection on
How I feel about you
How I feel ohhh
All the stupid things I do have absolutely no reflection
on
How I feel about you
How I feel about you, yeah woo ooh ow wowoo ooo ooh
woowoo ooh ooh

[Vocalizes]

All I want to do is please you
Please myself by living my life too

[Chorus]

And all the stupid things I do
Have absolutely no reflection on
How I feel about you
How I feel about you
How I feel about you, yeaah
You never know, how I feel about yooooou yooooou
How I feel about yooooou
