[Trey Songz Talking]

And I Wouldn't Be Me If I Didn't Get A Little Nasty

Na Na Na Na Na Na Na (x3)

[Verse 1]

How 'bout we just move over , And just do it where we
at

How 'bout you just lift that skirt up

Ohh . . . We can be bad

That place that ain't been touched , I'm feeling on it

I'll let you sit through, keep spinning on it

Girl . . . Giddy Up Giddy Up , Take me on a ride to
ecstasy

You don't wanna bump bump then take a nap

You just wanna bump bump bring right back

Watch me

I'ma heat it up , beat it up

Ohhh

[Chorus]

I know you're tired of the usual, usual, usual

I can give you more than the usual

Not your regular , Tell you what , Let me touch

You gon' feel something unusual, unusual, unusual

I'm not gon' do what the usual,

Not your regular, Tell you what , Let me touch

You gon' feel something unusual

[Verse 2]

I wanna do the wicked things you never do

What if we get it while your friends was in the room

Is that too hot for ya ?

Don't you feel bad, Let em feel sexy

We can make a sex room wherever we go

Take it to the restroom, they ain't gotta know

No . . . Ohh . . .

Watch me heat it up, Beat it up

Woo .. Hey!

Do You hear me girl ?

Watch me heat it up, Beat it up

Woo

[Chorus]

I know you're tired of the usual, usual, usual
I can give you more than the usual
Not your regular , Tell you what , Let me touch
You gon' feel something unusual, unusual, unusual

I'm not gon' do what the usual,
Not your regular, Tell you what , Let me touch
You gon' feel something unusual

So You can come to me city , I'll take you all over
And Hit you on the balcony , Just don't fall over
Send me a picture baby , you know I'd never leak it
I know you got something recent , For someone decent
Why you laughing out loud , I'm serious
Bring your girl if you a little bi-curious
Please ; Please No Storytelling of others
I promise you gon' love it
I would never let you down
Feel like I might of perfected , All the things that you've
expected
And you gon' know it when you bring your ass around
Motherfu- Oh!

[Chorus]
I know you're tired of the usual, usual, usual
I can give you more than the usual
Not your regular , Tell you what , Let me touch

I'm not gon' do what the usual,
Not your regular, Tell you what , Let me touch
You gon' feel something unusual

[Trey Songs]
Get it all different kind of ways
All different places
Look at the many little faces you making
But can you take it
