[CHORUS]

I keep my mind on my money so I'm always grindin'
And you should never ever have to be reminded
Everything I do baby, I do it for you baby
Just know I'm telling you the truth baby
I'ma hold you down til the day I die
I'ma hold you down til the day I die
I'ma hold you down, I'ma hold you down
Down til the day I die (I die, I die...)
I'ma hold you down, I'ma hold you down
Down til the day I die (I die, I die...)

[VERSE 1]

I'm on my way to the top, girl, I'm flyer than a missile
be
Mix screams, big things they know what the issue be
I know when I'm gone, in the zone, you be missin' me
Don't ever forget the way I feel when you're kissin' me
When I hit the stage, worldwide (worldwide)
I hope you ain't forgettin' me, I'm out here makin'
history
When I hit the club VIP (VIP)
I like when they be diggin' me, I give a lot of liquor free

[BRIDGE]

You want nuvo patron c'mon champagne hennessy
forever they remember me
You so special can't let you go
I would be crazy too, so I'll just keep amazin' you

[CHORUS]

I keep my mind on my money so I'm always grindin'
And you should never ever have to be reminded
Everything I do baby, I do it for you baby
Just know I'm telling you the truth baby
I'ma hold you down til the day I die
I'ma hold you down til the day I die
I'ma hold you down, I'ma hold you down
Down til the day I die (I die, I die...)

[VERSE 2]

Been there from the start when I said "I gotta make it"

We'll never be apart baby, look what we created

You know you my baby, I know I'm your favorite
And we'll be celebratin', tell me what you want

[BRIDGE]

You want nuvo patron c'mon champagne hennessy
forever they remember me
You so special can't let you go
I would be crazy too, so I'll just keep amazin' you

[CHORUS]

I keep my mind on my money so I'm always grindin'
And you should never ever have to be reminded
Everything I do baby, I do it for you baby
Just know I'm telling you the truth baby
I'ma hold you down til the day I die
I'ma hold you down til the day I die
I'ma hold you down, I'ma hold you down
Down til the day I die (I die, I die...)
I'ma hold you down, I'ma hold you down
Down til the day I die (I die, I die...)

I can never get enough
If you keep liftin' me up
You know I'ma hold you down (Down, down...)
If you see me in the club
And you show a little love
You know I'ma hold you down (Down, down...)
If I'm ever in your hood
Then you know it's all good
And you know I'ma hold you down
I'ma hold you down
I'ma hold you down
Down til the day I die

[CHORUS]

I keep my mind on my money so I'm always grindin'
And you should never ever have to be reminded
Everything I do baby, I do it for you baby
Just know I'm telling you the truth baby
I'ma hold you down til the day I die
I'ma hold you down til the day I die
I'ma hold you down (Down...)
I'ma hold you down (Down...)
Down til the day I die (I die, I die...)
Down til the day I die (I die, I die...)
