Its 5 o clock in the morning and the rising sun wakes  
me  
Im Laying in a bed with a girl that dont belong to me  
And she Whispers Come on my Darling lets go Round  
Two  
Then she gon start to kissing me and to her surprise i  
quickly move  
Now she got this dumb look on her face like what had  
she Done  
how could she be so stupid as to think that she the One  
Must of lost Her Fucking Mind  
But Damn this Girl was Fine  
From the club went to her Home  
She didnt want to be Alone  
Here i am Trickin while my girlie's at Home  
gotta find my car keys so i can get on up out the door  
she stood there mind was wondering  
how he gon leave that way ?  
looked at me like i was Crazy  
then i got up and Walked Away  
Man i gotta wife at Home , and to lose her OH im  
Scared  
So now im on my Way home , Whiping off this other  
womans Hair  
Shhh shh Silent...nervous as hell while im Driving  
Cant make a sound , cause i know im going Down  
What ima say when she ask me where i been though ?  
Fell Asleep and smoking to much indo  
Think...think ....she gon know a nigga lieing  
So i copped me some Febreeze and then i sprayed  
around  
then i walked my crazy ass up in the house

And i walked in and yelled Im Home  
she said honey im in the room  
i walked in there with a smile on my Face , and said  
honey I Been missing you  
She hopped all over me and Said that she cooked and  
ran my Bath Water  
im telling you now i aint smell no food , but that bitch  
deserved an Oscar  
threw her in the bed and start to snatching her clothes

off

Thinking to my Self Trey Songs YOu G You pulled it Off  
Aint gon believe it but things get deeper as the story  
goes on

We touching ,kissing ,Baby Listen....That aint Yo Phone.

You Should of Seen the Look that i had on my Face

She tried to hold me back but hell it was to late

I hopped up and said theres a mystery going on and im  
gonna solve it

And im like , God please dont let no Man be in my  
Partment

i walked in the Bath Room , Looked Behind the Door

she said baby come back to me , and i said Bitch say  
no More

I pull back the shower curtains and shes biting her nails  
then i walk back to the room , right now im sweating  
like hell

check under the bed , then under the dresser

i look at the closet , get my gat out the dresser

i look back at the closet , get closer to the closet

Now im at the Closet , Now im opening the Closet and

then I fuck the man in the closet and she says wat the  
hell and I said bitch you must didn't know this my new
