You never know how things gonn' turn out  
li know you got the best love that ii ever had  
li swear that when ii look at you the time don't pass  
Intoxicated without a slip from a glass  
Infatuation was real thought we would last

But you gonn' away  
Thought you was gonn' stay  
li got deceived again  
li can't believe

And now you got someone who don't  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
You already know ii use to  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
You look for me and you know ii be  
Out of sight  
Out of sight  
Out of sight  
Out of sight  
Out of sight  
Your the one that told me you wanted me  
Out your life  
Out your life  
Out your life  
Out your life  
Oooooohhhhhh  
It's unfortunate  
Oooooohhhhhh  
It's unfortunate  
That you didn't believe in me

li know ii got the best love that you ever had  
Tell me how it feels to know you would never get it back

Baby tell me how a train never got above track  
Never be the same thought our hearts were attached  
But your gone away  
But you gonn' away  
Thought you was gonn' stay  
li got deceived again  
li can't believe

And now you got someone who don't  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
You already know ii use to  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
You look for me and you know ii be  
Out of sight  
Out of sight  
Out of sight  
Out of sight  
Out of sight  
You the one that told me you wanted me  
Out your life  
Out your life  
Out your life  
Out your life  
Oooooohhhhhh  
It's unfortunate  
Oooooohhhhhh  
It's unfortunate  
That you didn't believe in me

Man it don't last forever  
I'm telling cuss ii have been there  
Hurt turns to anger  
Friends turn to strangers  
But right now ii don't care  
And you'll get there  
(You will you will you will)  
You didn't keep your promise

But you gonn' away  
Thought you was gonn' stay  
li got deceived again  
li can't believe

And now you got someone who don't  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
You already know ii use to  
Treat you right  
Treat you right  
Treat you right  
Treat you right  
You look for me and you know ii be  
Out of sight  
Out of sight  
Out of sight  
Out of sight  
Out of sight  
Your the one that told me you wanted me  
Out your life  
Out your life  
Out your life  
Out your life  
Oooooohhhhhh  
It's unfortunate  
Oooooohhhhhh  
It's unfortunate  
That you didn't believe in me

You never know how things are gonna turn out huh
